## Chairman's Foreword

Welcome to the Midland Centre of The Caravan and Motorhome Club. It is a great honor to continue as Chairman of this fantastic club for a fifth year.

After a challenging 2020, I hope that we can continue to enjoy our hobby. After such a long time in lockdown it will be good to see not just our regular members but also the many new members that have joined the Centre. The Midland Centre has always prided itself on the excellent social events that it holds throughout the year. Though lately this has not been possible I hope we can return to normality in time.

Special thanks go to Andy Pickrell our new Rally Secretary for assisting me in putting together a rally programme that features a mixture of regularly used sites and new venues that I am sure the members will enjoy. I wish him all the best in his new role. Can I ask everyone to take the time to read the Centre rules, thereby ensuring that we continue with our hobby in a safe a respectful manner.

I would like to thank all the stewards who have volunteered to run rallies for us in 2021 for the enjoyment of everyone. I would also like to thank the land owners who make us welcome so that we can enjoy our pastime with friends old and new.

Thank you to those members who have volunteered to serve on the senior committee and look after the business of the Centre I look forward to working with you in 2021.

The Junior committee are a credit to the Centre and I hope that their experiences on Junior Committee will hold them in good stead in the future. I wish Ellie Atkinson our Junior Chairlady the very best of luck together with her new committee. I hope they get the opportunity to fulfil their undoubted potential this year.

Finally, Beth and myself wish all our members a Happy, Healthy and prosperous New Year. Stay Safe and Happy Rallying

## **Rally Secretary's Foreword**

After a very interesting year we find ourselves planning and looking forward to the 2021 season. Let's hope the forthcoming year gives us some return to normality.

I'd like to express my thanks to all our members for keeping positive and taking onboard the addition regulations this year. I would also like to say a big thank you to all the people who have given up their time to steward rallies for the coming year, without you we not be able to enjoy such a full rally calendar.

If anyone has any suggestions for new venues or would like me to book a specific site for a special occasion please get in touch with me as soon as possible as I will try to accommodate this in the 2022 rally calendar.

There are still a couple of rallies requiring stewards for 2021. If you would like to run one of them please get in touch with me. You can find the outstanding rallies on the Centre's website.

Happy rallying for 2021.

## **Rally Start Time**

Rallies are governed by The Caravan & Motorhome Club rules and can only commence when the designated stewards are in attendance. A list of stewards has to be given to The Caravan & Motorhome Club each year in the form of the rally book details, to comply with insurance requirements

Any member wishing to arrive at a rally before the official start time of 4pm must, in all cases, check with the stewards to ensure that the venue is open and that they are not turned away. In many cases stewards have to attend work prior to the rally and therefore must be given time to set up their rally and should not be pressurised. Their decision is binding. Your understanding and compliance is much appreciated.

Stewards are asked to indicate on the rally signing sheets any members who arrive on rallies earlier than the official/requested times. Sheets will be monitored by the treasurer.

## **Rally Deposit Refunds**

If a member is unable to attend a rally where money has been paid in advance and would like a refund then they must contact the Hon. Secretary within 28 days of the rally.

### **PLEASE NOTE**

It is important that all rally stewards get in touch with land owners at least 4 weeks prior to the rally, to finalise details. We have had several instances over the past few years where rallies have not been in the landowner's diaries despite correct paperwork being held by the centre. At the same time, please confirm the day/time that you as stewards would be allowed to arrive.

**Andy Pickrell**  
**Rally Secretary**

## **Best Weekend Rally**

This years vote had to be something different, with Covid putting stop to rallies for the first time in the clubs history this was voted for via an online poll on the Centre Facebook page. This years winners were Phil and Lindsey Grant assisted by Jason and Kelly Atkinson with their 80's weekend at Yew Tree Farm.

## **New Sites**

The following new sites have been booked for 2021 Please support them.

### **Lichfield Cruising Club**

Located on the Canalside and has grown from initial activity at the Huddlesford site dating back to 1959, and became known by its present name in 1978. This year it will be the venue for The Midland Centre Bake off.

### **Statfold Barn Railway**

Set in a 1000 acres of Staffordshire countryside. On site Narrow Gauge Steam Museum. Just a stones throw from the large market town of Tamworth

### **Dodderhill Equestrian**

Established by Arron Stevenson to provide riders and horses of all abilities with a dedicated base for learning, training and rehabilitation. A great location and a nice field for rallies.

### **Trevarrian Holiday Park**

We are a caravan and camping site situated between Watergate Bay and Mawgan Porth on the beautiful North Cornish Coast

## **Photo Competition**

This years Rally Book Cover was part of the Junior Challenge, the plan was to have our own Junior Art gallery at the AGM, but once again Covid put stop to this. But the Juniors still submitted their entry, and the result was judged with a poll on our Centre Facebook page. It was won by 10-year-old Sam who attended his first every rally at Hampton House Farm, he had a great time and his picture shows him and his new friends playing with social distancing in place.

For 2021 the competition is back open to everyone. The theme is "What I've missed about Rallying in 2020". So, this could be anything from a group of friends to a landscape. Once again we hope to have a galley of entries at the AGM for everyone to vote on.

## **A Message from the Plaque Officer**

We are discontinuing with larger plaques for Holiday rallies, Dinner dance, Christmas party etc but are continuing with plastic plaques on weekend rallies, these will also be available for all other rallies and will be generic at a cost of 50p. These do not have to be ordered in advance and any outstanding plaques can be issued by Gaynor Hart.

As Plaque Officer it will be my job to record rallies attended and to keep accurate records. This list will be used for the pensioners rebate and also to keep the Chairman informed of the member who completes the most rallies during the year January to December to whom a presentation will be made.

**Mick Hale**

## **Pensioners Rebate**

For those of you who don't know we refund 50p for each rally you pay a rally fee on. This is paid to the main member if they have reached state pension age (currently 65). This is doubled to £1.00 if you have stewarded a Midland Centre weekend or Bank Holiday rally during the year. Please notify the Treasurer in writing if you qualify and do not receive the rebate and wish to be included. We will be paying the 2020 rebate in 2021 due to Covid

## **Bully Newsletter**

I have once again accepted the challenge to be your Bully News Editor! For reasons beyond our control 2019/2020 was possibly not our finest year for Bully article writing, however I am sure we will flourish in 2020/2021 and I look forward to receiving your contributions!

Anyone from the Midland Centre is welcome to submit an article – it can be anything from a photograph to a 'thank you' to someone you feel has gone above and beyond, or simply a write up about a rally you have particularly enjoyed. I am also giving our junior members 'bragging rights' to tell us all about their achievements both on and off the rally field or by sending in a drawing or photograph they have taken whilst on a rally.

Additionally, please feel free to advertise your caravan or motorhome related items for sale or wanted items. Photographs always make for an eye catching advertisement and please remember to clearly state the price and contact details for the seller.

As per last year, the cash prize for the best article from each edition of the bully is £20 per winning article however there will no longer be an overall winner. Although last year's scheduling went somewhat awry, the online publication date is on or around the 15th day of December, March, June & September with the copy deadline usually around the 1st of that month (although allowances can sometimes be made).

.  
Please forward anything you wish to feature in the Bully News to Kerry.silver@hotmail.com. I look forward to hearing from you all.

**Kerry**

## **Website**

Our Centre website is [www.midlandcentre.co.uk](http://www.midlandcentre.co.uk) and our Facebook Private Group is Midland Centre Caravan and Motorhome Club. (If you are a Centre member you will have to register with the FB group before access is granted). Amendments / notices / rally updates will be put on the website and FB group. All members are invited to access the website and FB group to keep themselves updated on news which may impact us during the current challenging times. You can also book onto most weekend and holiday rallies via the website using the online booking facility. If you are stewarding a rally and have updated programme details or local attraction information please forward the detail to the website officer.

**Gordon Mitchell, Website Officer**

## **Rally Pricing**

The prices quoted in the rally book are fully inclusive of VAT, Admin and Rally Site fees. Additional costs are for a plaque if required and any social fees.

Through 2020 we have charged the lower rate of 5% VAT put in place by the Chancellor, we will continue to charge this while the scheme is in place.

We have only accepting payment via bank transfer since rallying restarted. This has been successful and will continue.

Cheques are not accepted for any weekend rallies. Cheques may still be used to pay deposits on Rallies that have a booking form.

Rally fees and Social fees are to remain unchanged this year. However, prices in this book and on the Centre Website are subject to change without notice.

ALL LIMITED RALLIES INCUR A £5 NON RETURNABLE DEPOSIT AND UNTIL THIS IS PAID YOUR PLACE WILL NOT BE RESERVED. WHERE RALLY FEES ARE PAID IN ADVANCE, NO REFUNDS WILL BE GIVEN IF YOU CANCEL WITHIN 7 DAYS AND YOUR SPACE CANNOT BE REALLOCATED.

**SEE RULES 6 and 7 GOVERNING RALLIES**

### **RULES GOVERNING RALLIES**

#### **General**

**Weekend Rallies normally commence at 4.00 pm Friday. Bank Holidays or 5-day Rallies commence at the discretion of the Stewards. They will end at the discretion of the Steward and/or the Chairman, having regard to the time of year and weather conditions. If in doubt - ask.**

**Only when plainly stated in the details of the Rally may a member arrive before or stay on after the completion of a Rally. Early arrivals and late departures with the consent of the Stewards only. Non-compliance will be monitored.**

All persons attending rallies and social events do so entirely at their own risk. No responsibility for persons or property is accepted by the organisers or The Caravan Club.

Stewards may ask for proof of Caravan and Motorhome Club membership at any Rally.

The red Caravan Club flag should be flown for the duration of the rally. The yellow MCCC flag can also be flown but below the Caravan and Motorhome Club flag. The Centre flag cannot take precedence over the Caravan and Motorhome Club flag, except on commercial sites where the Caravan and Motorhome Club exemption certificate is not required.

The link to the downloadable Rally Book will be emailed to all members. The link will be emailed to each new full member when registration is received by the Secretary.

If a Steward feels a member's behavior or the behavior of a member's children or pet is causing a nuisance, the Steward is permitted to ask a member to cease the behavior or leave the site.

No Stewards to cancel a rally without a Committee decision.

#### **Booking, Payment and Arrival**

**Prices in the Rally Book are subject to change without notice.**

Rally slips or online bookings for weekend rallies must be received by the Steward of the rally not later than the Monday before the rally, otherwise you will not be notified if a rally has been cancelled or the location changed.

Holiday Rallies or Special Events generally use a separate paper booking form because a deposit is required, there may be specific site information that needs to be communicated to the Ralliers and payment arrangements are usually different. (E.G. site fees paid in advance.)

On any limited rally, a £5 non-returnable deposit must be sent with your rally slip or your place cannot be reserved.

Where rally fees are payable in advance, no refunds will be given if you cancel within 7 days prior to the rally and your place cannot be reallocated.

On arrival, you will pay rally, site and plaque fees, including VAT, (unless otherwise stated) to the Stewards. You will also be required to sign the rally sheet, when you pay. Additional payments may be required, including VAT, if a social or other entertainments have been organised.

All cheques should be made payable to: The Midland Centre Caravan Club and not to individuals. Cheques will not be accepted for **weekend** rally payments.

If you wish to receive a plaque you should order one when booking in to a rally. To guarantee receiving a plaque, your booking must be received 14 days in advance of the rally start date. The appropriate fee must be paid to the rally stewards upon arrival on site.

Yellow signs with MCCC on will be displayed as prominently as possible on the approaches to the site. Directions given should be used in conjunction with a larger scale map and the rally book. DO NOT RELY SOLELY ON SAT NAVS.

All members, upon arriving on site, should report to the appointed Steward before pitching their unit. Any visitors should also report to the Stewards on arrival.

One pitch only may be reserved for a friend, providing it is not required by another member. Extra pitches can be reserved at the discretion of the Stewards

### **Safety on Site**

**All vehicles are restricted to WALKING PACE (Max 5mph) on site** and learner/unlicensed drivers are not permitted.

Units, excluding guy ropes, must be 6 metres apart from adjacent units. This is to allow sufficient emergency access. Vehicles may be parked between units, provided that a 3 metre clear space is left within the 6 metre gap at all times.

Children's pup tents are classed as an integral part of a unit in the same way as an awning, when they are occupied by children and when no appliance with a naked flame is used in or close to them. This means that a child's pup tent is not required to comply with the 6 metre rule and can be pitched close to the parents' unit. Only one pup tent is permitted per caravan, to be situated to the rear of the caravan provided this is not a vehicle access route.

Bearing in mind the danger of FIRE, the Committee recommend that every van attending a Centre Rally should be equipped with a suitable FIRE EXTINGUISHER and simple FIRST AID KIT. **IN ADDITION, ALL RALLIERS ARE REQUIRED TO PLACE A BUCKET OF WATER OR FIRE EXTINGUISHER AT THE TOW BAR OF THEIR CARAVAN.**

Open fires are not permitted on the rally field. Sky lanterns or similar are also not permitted.

The use of gas cylinders to supply a caravan via an external barbeque supply point is not permitted.

### **Adverse Weather**

Avoid undue damage to the entrance and site by unnecessary use of vehicles in bad weather. When a YELLOW band is added to the flag ALL vehicle movement ON or OFF the field is forbidden unless permission is given by the Stewards. When a RED band is added to the flag absolutely no vehicle movement is allowed.

Anyone requesting a tow on the rally field does so on the understanding that in all cases the owner/driver of the towing vehicle does not accept any responsibility whatsoever for any damage however caused to the stranded vehicle or its owners or occupiers. Responsibility for damage will in all cases rest with the owner/ driver of the stranded vehicle.

### **General Behaviour**

The good name of the Club, Centre and Caravanning will be better enhanced by the standards we maintain. Site vans tidily around the perimeter or in lanes. All doors in each lane must be facing in the same direction and no awnings should face each other. Park your car on the blind side of the van and keep the area around your van clean and tidy. Pull forward a few yards on leaving and check to see you have left no litter behind.

Ralliers must ensure that they and their children do not cause damage to trees, fences, farm buildings, equipment, stock, cars and caravans, etc. Ralliers are responsible for the behaviour of their children and guests. Should damage be incurred then the **full cost** will be demanded from the parents or guardians. Please adhere to Out of Bound signs.

The riding of bicycles between the caravans and any sports or activities likely to cause a nuisance and or damage are NOT allowed. Ball games are permitted only with the agreement of the Stewards or Committee, on an open space well away from caravans.

**Dogs and other pets must be kept under control at all times.** No animal is allowed to be loose on the site and must always be on a lead not longer than three metres if outside a unit. Dogs are not allowed into organised social events or halls unless they are registered assistance dogs. Members must remove any droppings left by their pets.

Noise should be kept at a minimum from radios, televisions and other sources such as generators, and there should be no noise whatsoever between 11pm and 7am. The practice of flying flags and other items from poles or similar will only be permitted during daylight hours.

**The use of generators will be restricted to 2 hours use between the hours of 10.00 am and 6.00 pm only**, and not to be a nuisance to your neighbours. Stewards and or Committee excluded from above times where the use is for social purposes. Only fully silenced and smokeless units may be used.

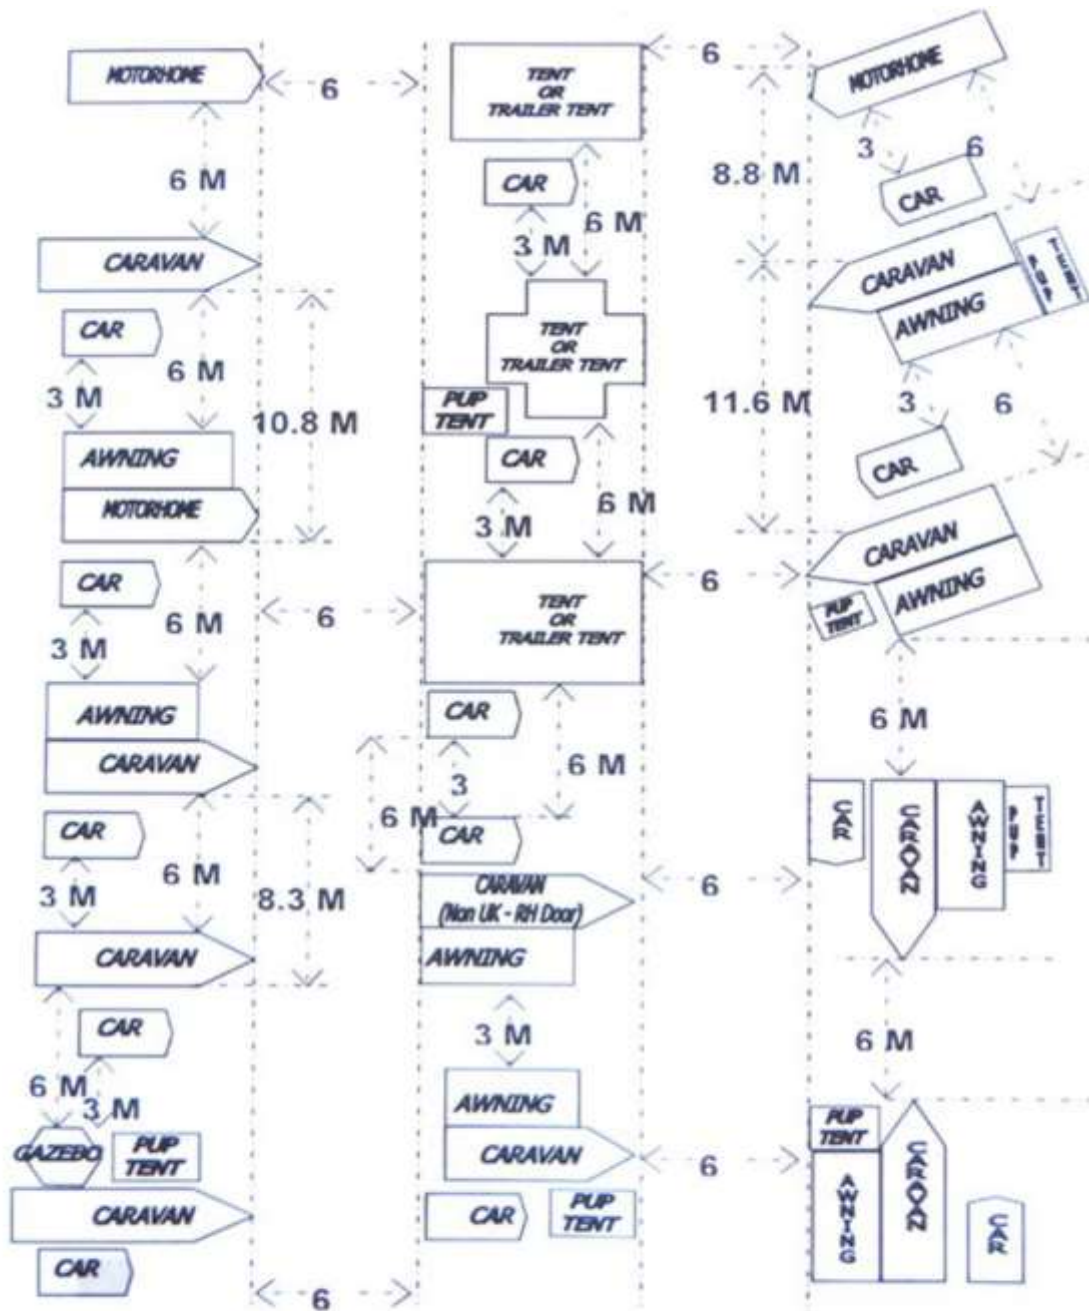

The club considers the use of e-cigarettes the same as cigarettes and as such, all legal requirements should be adhered to in their use during a club event.

### **Public Health**

The contents of chemical toilets must not be disposed of on the site except into the disposal point identified by the appointed Steward. Toilets or their tanks must not be rinsed or filled at the rally drinking water supply.

Members attending a rally must take their refuse home with them if receptacles are not provided.

## Spacing Information

This diagram is reproduced from the Natural England Guide to 'Camping and Touring Caravan Exemption Certificates'.

## Water Taps

Would members please remember that the water taps provided on the Rally fields are not for the use of washing toilets, only for filling drinking water containers. **WATER CONTAMINATION.** Members are advised to be aware of the dangers of drinking contaminated water. You are therefore advised to check on how the water is supplied, i.e. from a mains water supply, or from a private water supply, i.e. well, spring or stream etc. If mains water becomes contaminated the government and water authorities can act quickly to warn and prevent or remove harmful effects from the public supplies, but not in the case of water drawn from private supplies. Members are therefore recommended to bring to the boil water obtained from a private supply, before consuming or using in food preparation.

### CONTROL MEASURES FOR AVOIDANCE OF ILL HEALTH DUE TO CONTACT WITH E COLI 0157

#### Introduction

1. E. coli is a bacterium, many strains (or types) of which live harmlessly in the guts of humans and animals.
2. Strains such as E. coli 0157 produce toxins or poisons, which can cause illness in humans. E. coli is highly infectious and can present a serious health hazard.
3. Cattle, sheep, deer and goats excrete the bacteria.
4. E. coli 0157 can persist in the soil for up to 150 days and in cattle faeces for up to 90 days.

#### Infection

1. The risk of infection comes mainly from contact with animals or their faeces. E.g. when eating or drinking when camping or picnicking without washing their hands. Even tiny amounts of E coli 0157 can pose a severe risk, particularly for young and elderly people.
2. Another source of infection is drinking from streams that may have been contaminated with animal faeces without first treating the water. Food can also contain E coli 0157. E.g. raw mince, beef products and other meats. This will be included in the catering section.
3. It is highly unlikely that the water supply on farms etc can be contaminated.

#### Precautions

1. When planning to rally on farmland which has been used for grazing or stock holding of animals, request that:
  - **Farm animals are kept off the fields for three weeks prior to and during the event.**
  - **All visible dung/faeces are removed, preferably at the beginning of the three week period.**
  - **The grass is mown and kept short and clipping removed before the fields are used for recreation.**

**NB** These are part of the advice given to farmers by the HSE.

1. Check if the water supply is provided from either a water company or a borehole. If it is from a borehole ask to see the result of the test or the local authority certificate declaring it safe to use.
2. Farmers have a duty to carry out a COSHH assessment re E coli among other things. Why not ask for a copy.

### Controlling the Risk

- Do not drink from rivers or streams.
  - Ensure that animals have not been in contact with the water taps. E.g. taps for water troughs.
  - Avoid contact with animals wherever possible.
  - Avoid walking through areas contaminated with faeces or slurry liquid wherever possible.
  - Keep out of areas not allocated to the rally.
  - Wash hands thoroughly before eating, drinking or smoking etc.
  - Clean off clothing, footwear or any items carried, which may have been in contact with contaminated ground.
1. Following these simple precautions will not only reduce the risk from E Coli but also of other diseases that can be transmitted to people from animals.
  2. Should the landowner refuse to clear animals from the field/site prior to the event, the rally organisers **must take a view** as to whether the Rally should proceed at that venue? If so all participants must be made aware of the need to comply with the simple measures listed under Controlling the Risk, above.
