

Easter Bike Rodeo 2016

We had 13 juniors brave the weather to join in with the fun if the first bike rodeo of the year, and plenty of spectators too.

Three events...

The first being ball and spoon race...

The children needed a steady hand to take the ball on the spoon and place it in the basket at the other end of the court as many times as they could in 3 minutes.

The second was the slaloms ...

The children were timed to weave in and out of the cones and then straight back to the finishing line. It got a little competitive with the older children.

The final event was the timed ride around the court, under the camo net and run around the outside of the court to the finishing line. At this point the children were tired and the rain had started but they all persevered to the end.

Final scores for the first rodeo of the year.

Under 7's

1st place.	George
2nd place.	Aiden
3rd place.	Lottie

7 and over

1st place.	Calvin
Joint 2nd.	Patrick and Alfie M

Big thank you to the parents / grandparents who got the bikes to the rally and for the wonderful supporters who encouraged all of the children.

Hopefully we will see the children at the next bike rodeo - Catton Hall at the beginning of September.
